

# SH-018-01—Slip penyetoran dan slip penarikan

You have a savings account at the Bank Rakyat Indonesia (abbreviated BRI) and you need to make some deposits and withdrawals. The deposit slips (*slip penyetoran*) and the withdrawal slips (*slip penarikan*) require you to state the amounts involved in words and figures. On each slip you should write the amount involved in words on the line marked *terbilang* (which means something like “counted out in full in words”), and you should write the same amount in figures in the space provided. This space is indicated with Rp. (*rupiah*) or *jumlah Rp.* (total in rupiah). Look for the word *nama* to see where you should write your name. Don’t forget to put the date (*tanggal*) in a short form at the top and add your signature (*tanda tangan*) at the bottom. Deposit and withdraw four different amounts of money in rupiah.
